

April 29, 2020

Good morning, everyone,

As you all know, the Choral Vertical Concert scheduled for March 13, 2020 was canceled due to covid-19. Over the past month, Nipmuc chorus students have been working on a Virtual Choir project, in an effort to continue making music, and to share music with our community during a time when it's necessary to be apart. The videos are in, the editing is done, and we are pleased to share the first-ever Nipmuc Virtual Concert! I am so proud of the students' work; it is an incredibly difficult task to not only sing your vocal part completely independently, but then to record yourself doing so. They all rose to the challenge - students, well done!

You can find all 5 Virtual Choir songs in this playlist:

Please share the link with anyone you know who might enjoy it!

On behalf of the Mendon-Upton Music Department and all members of the Nipmuc Choruses, I sincerely hope this Virtual Concert brings you a little joy today!

Best,

Whitney Simmonds
