We'd like to invite you to our first-ever Virtual Senior Music Night, where we will celebrate all of our graduating musicians and recognize their accomplishments throughout their school music careers. Senior Music Night 2020 will take place on May 27th at 7:00PM on Zoom. The event will feature a presentation recognizing all of the seniors, including pictures, videos, and recollections of your favorite music memories from the past four years. Any students who wish to do so may record a solo or group performance to share. There will also be a live activity for the students (maybe a game or friendly competition).

In order to prepare for this event, all students should fill out this google form:

<https://forms.gle/MSX9fxDzBPrafeVY6>

If you would like to contribute a performance, please feel free to reach out to Mr. Harding or Ms. Simmonds for help preparing. All content that you'd like to send for inclusion in the presentation (pictures, videos, reminiscences, etc.) can be submitted via the google form. The deadline for completing this form, including sending all materials, is May 20th.

We will reach again out closer to the date with the Zoom link and any final instructions. In the meantime, please don't hesitate to let us know if you have any questions, and we look forward to seeing you on Senior Music Night!

Best,

Mr. Harding and Ms. Simmonds

SENIOR MUSIC NIGHT: ADDITIONAL STUDENT INFORMATION

Hello, everyone,

I hope you've had a chance to read the message I sent out a little earlier this morning regarding Senior Music Night. If not - you will probably find it helpful to read that email first! This email is to give you some additional information that's specific to all of the students.

1. We are hopeful that a portion of the Zoom Senior Music Night will be some sort of activity that you could all participate in together just for fun - students only, no parents :) We talked about a Kahoot, a team trivia contest, or something along those lines. Is this something you're interested in? If so, any ideas or suggestions for the types of games/activities you'd want to play, or any we should avoid? If we're going to kick your parents off Zoom for this part of the night, would you rather that it happen first, before the slideshow tribute (so you'd join Zoom first and then we'd invite your parents/families in at a later time), or at the end, after all of the recognitions and performances?

2. Submit as much content as you can!! The presentation will be best if all of you send in pictures, videos, etc. Reach back and find awkward performances from your middle school days and let's all have a good laugh at each other's unfortunate fashion choices!

3. Performances - if you'd like to record a performance of yourself, we'd love to see it! This is always one of the best parts of Senior Music Night, so let's try to keep it going. If you'd like any help choosing a song, practicing, etc - let me know. If you're interested in performing as part of a group, we can put together a little mini-collaboration. Of course, you don't necessarily have to involve me if you're comfortable working it out on your own. But I'm here to help if you need it!

Anything else? I know this isn't the ideal way to end your senior music/drama careers - so if you have ideas about how to make this a better event, please share them! We hope that it will be a time to come together, have some fun, and celebrate all of your accomplishments. So tell us what we can do in order to make that happen.
