Good afternoon, all,

I wanted to reach out and let you know that we have tentatively rescheduled the Nipmuc Music Trip to Virginia for June 11th through June through June 15th.

All the events that we planned for in April will still take place in June apart from the music festival, as there are no festivals running at that time. In place of the music festival we are looking at adding a few more cultural activities that align with the district's goals around education.

We are working hard to make this trip happen for our senior musicians and for those students who have made commitments to other trips next April. Obviously with everything going on, we won't know whether we'll be able to go for another few weeks.

We want to thank you for your patience during these strange and difficult times and please don't hesitate to reach out if you have any questions or concerns.

Best Wishes,
Ms. Simmonds & Mr. Harding
